To the Voters of Sibley County:

On August 13, 2026, the Full Committee of the Sibley County Republicans interviewed Wayne Nagel as a candidate for the next sheriff of our county. A quorum was present. After hearing his vision and plans for more efficient and effective law enforcement, the members in attendance voted unanimously to recommend him and to encourage the voters of Sibley County to elect him as their next sheriff.

Wayne is a Henderson police officer, a local business owner, and a longtime neighbor who has already served this area as an EMT. He spoke to our committee about supporting deputies, expanding training, working more closely with local police departments, and keeping the Sheriff's Office accountable to the people it serves. That is the kind of practical, community-first leadership Sibley County needs. We encourage every voter in Sibley County to learn more about Wayne Nagel and to elect him Sheriff. His campaign website is nagel4sheriff.com.

Sibley County deserves a sheriff who will protect our communities, support law enforcement, and use taxpayer resources wisely. The Sibley County Republicans recommend Wayne Nagel for that job.

Sincerely,
Sibley County Executive Committee
